

AFFORDABLE
COUNSELING
THERAPY

In these stressful times, we want all of our clients to know that we are open and want to help you navigate this new reality. If you want to come to our office, please know that cleanliness is our utmost priority.

1. We are sanitizing all door knobs and areas where people touch
2. We are washing hands before and after every session
3. We are practicing social distancing and request that we give a thumbs up at a safe 6 feet instead of the usual handshake or hug
4. We ask that you wash your hands before you come to our offices
5. We ask you to stay home and call in if you feel ill or have been in contact with an ill person
6. We can accommodate your session via online or phone if you prefer
